Staff Presentation: Karma Bentson

Murray City received their final Tax Levy and Property Evaluations from the Salt Lake Auditors Office. The numbers are being provided to the Council tonight for final adoption.

Property Tax Levy for the year 2006 are as follows:

.001447 on each dollar of taxable property as revenue to the General Fund.

We have budgeted real and personal property taxes to be \$3,980,200 for the General Fund and for the Library Fund, .000494 on each dollar of taxable property as revenue to the Library Fund. Budgeted revenues for the Library Fund are at \$1,358,800 for a total of .001941.

The proposed rate does not exceed the Certified Tax Rate. This Tax Levy is then the Certified Tax Rate. As a taxing entity we are allowed to collect the same amount of taxes that we received last year, plus any additional revenue resulting as a real growth within the City. Property growth within the City that has calculated at a value of \$14.9 million, will result in about \$29,000 in additional tax revenue both the General Fund and Library Fund for the next year.

Ms. Griffiths made a motion to adopt the rate of Tax Levy for the fiscal year commencing July 1, 2005 and ending June 30, 2006 as written.

Mr. Brass 2nd the motion.
